The terminal part of any patent granted on the above-identified application that would extend beyond the expiration of the full statutory term of U.S. Patent No. 6,169,475 is hereby disclaimed, except as provided below. It is agreed that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,169,475. It is further agreed that this agreement will run with any patent granted on the above-identified application, and will be binding upon the grantor, its successors, or assigns.

No disclaimer is being made as to any terminal part of any patent granted on the above-identified application prior to the expiration of the full statutory term of U.S. Patent No. 6,169,475, as presently shortened by any terminal disclaimer, in the event that such patent:

- a) later expires for failure to pay a maintenance fee;
- b) is held unenforceable;
- c) is found invalid;
- d) is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a);
- e) has all claims canceled by a reexamination certificate;
- f) is reissued; or
- g) is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

If there are any additional fees due, please charge them to Deposit Account No. 02-2666.

Respectfully submitted,
